# ERHARDT C

AN EXQUISITE DESIGN AND INTELLIGENT MOUNTING, EVEN FOR LARGE SURFACES AREAS

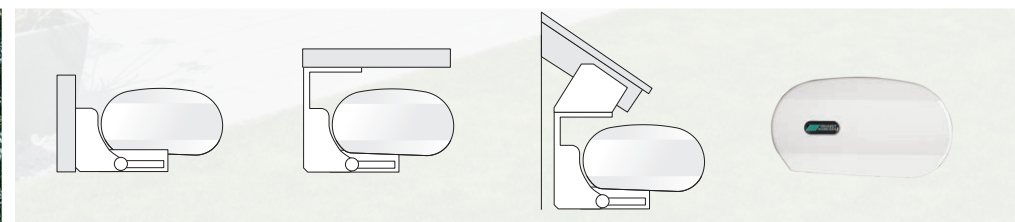

## Recommended equipment for the ERHARDT C:

- We recommend a **motor** with a **remote control** for the best in operating convenience. More safety is provided by the **oscillation sensor** which closes the awning automatically in strong winds.
- The practical **Lighting Rail** ensures optimal lighting even in large areas. The brightness can be dimmed as an option to create a cozy atmosphere.

## ERHARDT C – an elegant solution in any case

- The entire mechanism as well as the awning fabric are hidden in the cassette awning when in the retracted position. This ensures maximum protection from the elements while at the same time providing an unobtrusive appearance.
- The different installation options the ERHARDT C offers make mounting possible even under challenging circumstances.
- A sealing lip ensures gentle closing.
- Durable materials and high-quality craftsmanship form the basis for sophisticated functionality.
- A large selection of additional equipment:
